A SPECIAL PLACE FOR SPIRITUAL GROWTH

## THE SAINT IAKOVOS RETREAT CENTER

**“Show me your faith without your works, and I will show you my faith by my works.” (James 2:18)**

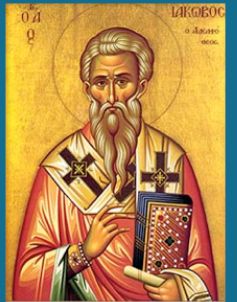

- Saint Iakovos, Brother of the Lord

With the visionary leadership of Metropolitan Iakovos of Chicago, the practical guidance of Bishop Demetrios of Mokissos, and the faithful support of both the Clergy and the Laity from across the Metropolis of Chicago, the Board of Directors of the Saint Iakovos Retreat Center is excited to embark on the next chapter of this sacred ministry. We invite all the faithful to **DISCOVER** the wonders of the Lord of Creation through an intimate connection with this special and sacred place. This second phase of building expansion will provide an increased opportunity for more groups and individuals to both seek and to find God, in the midst of His glorious creation. Please join us in discovering first-hand, the awesome works that Almighty God accomplishes through His People, when they decide to live their lives by faith.

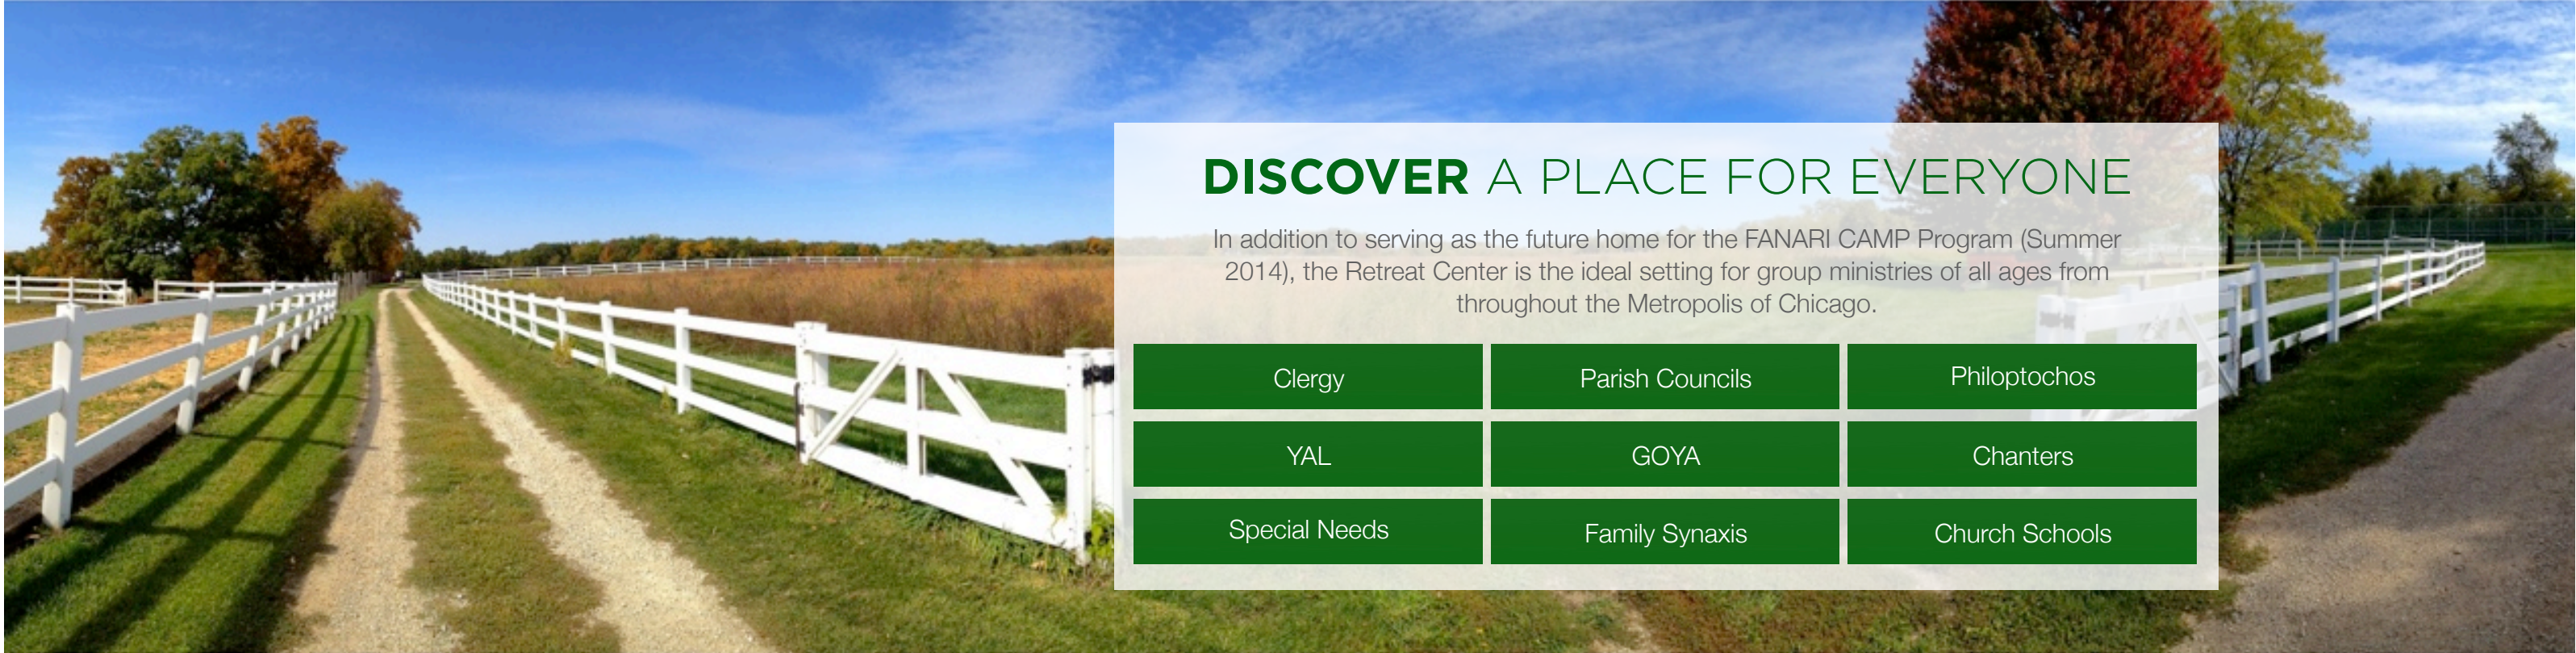

## A PLACE WHERE GOD'S CREATION SPEAKS

Set on 137 breathtaking acres in Kenosha County, Wisconsin, the St. Iakovos Retreat Center is a testament to the wonder of the Lord's creation. Away from worldly cares, this natural setting has 35 acres of original growth woods and hills, a sparkling eight-acre lake, streams, tree-lined paths, even a bountiful apple orchard.
